

*SPRINGVIEW 2010* is an ongoing recording project to create a comparative visual survey of the buildings of towns and villages across Oxfordshire.

Each settlement is presented in its geological location, and at a stage of historical development, with images that illustrate aspects of PLACE and CONTEXT, CHARACTER and DETAIL.

To participate in this project please contact Vic Allison at [vicallison.pic@btinternet.com](mailto:vicallison.pic@btinternet.com)

*St Michael at the Northgate and the former Crown Inn on Ship Street and Cornmarket in Oxford*
