

SPRINGVIEW 2010 is an ongoing recording project to create a comparative visual survey of the buildings of towns and villages across Oxfordshire.

Each settlement is presented in its geological location, and at a stage of historical development, with images that illustrate aspects of PLACE and CONTEXT, CHARACTER and DETAIL.

To participate in this project please contact Vic Allison at vic.allison@btinternet.com

St Michael at the Northgate and the former Crown Inn on Ship Street and Cornmarket in Oxford
